

FACULTY OF SCIENCE
Charles University

Department of Cell Biology
www.natur.cuni.cz/biology

Laboratory of gene expression regulation
Laboratory of genomics of microorganisms

Joint Seminar

Wednesday March 9, 2:00 P.M.

Viničná 5, Praha 2, 128 00

Kateřina Abrhámová

Gene regulation through transcript structure –
the case of RPL22 gene pair

Mohamed Boumaiza

Yeast Rpl22 production and characterization of its intron
binding properties

Jarmila Princová

Lipid metabolism and stress response in fission yeast

Guests are welcome

EUROPEAN UNION
European Structural and Investment Funds
Operational Programme Research,
Development and Education
