

FACULTY OF SCIENCE
Charles University

www.natur.cuni.cz/biology

Laboratory of RNA biochemistry,
Department of Genetics and Microbiology
Laboratory of gene expression regulation,
Department of Cell Biology

Joint Seminar

Monday March 14, 9:30 A.M.
Seminar room Viničná 5, Praha 2, 128 00

Priyank Singhvi

Investigation into structure and function of the poxviral
RNA polymerase

Kateřina Abrhámová

Splicing mediated intergenic regulation

Mohamed Boumaiza

Methods to study the allosteric properties of RPL22 intron

Guests are welcome

EUROPEAN UNION
European Structural and Investment Funds
Operational Programme Research,
Development and Education

MINISTRY OF EDUCATION,
YOUTH AND SPORTS
