

# 2022 6<sup>th</sup> PhD Svatý Jan Conference in pod Immunology Skalou

After a two-year break caused by covid19 pandemics the PhD conference in Immunology in Svatý Jan pod Skalou is back! This year's PhD conference will be held **26th - 27th September**.

The conference aims to bring together all PhD students from the Immunology program at Charles University and enable them to share and discuss their results, ideas, (or plans in case of starting PhD students) in form of a poster or oral presentation. Your supervisors are also cordially invited.

We will host **three keynote speakers** presenting their interesting research, discussing the science presented by the students, and sharing their experience in academia.

**Carolyn King**  
(Uni Basel)

**Nicole Joller**  
(Uni Zurich)

**Pablo Augusto  
Vieyra Garcia**  
(Med Uni Graz)
