

Department of Inorganic Chemistry
Faculty of Science, Charles University

invites for a lecture

**Ammonium Metallates as Sustainable Catalysts for
Waste Valorization**

which will be delivered by

Prof. Alessandro Caselli, PhD.

from the Department of Chemistry, Università degli Studi di Milano, Italy,

on May 7th, 2024 at 9:50 in the lecture hall CH3

of the Chemistry departments, Hlavova 2030, Praha 2.

Doc. RNDr. Vojtěch Kubíček, Ph.D.

Head of the Department
