**Re: Congratulations on the success of your article in *Chemico-Biological Interactions***

Dear Dr. Hodek,

I am pleased to congratulate you on your work with *Chemico-Biological Interactions*. Your article, *Chemopreventive compounds-View from the other side*, has been identified as one of the top 10 most downloaded articles of 2009.

This ranking of most downloaded articles is based on an analysis of usage statistics from ScienceDirect for the period January - October 2009. We invite you to share this good news with your co-authors.

Thank you very much for your contributions to *Chemico-Biological Interactions*. Your scientific integrity and quality research practices maintain the high standards of our publication. We urge you to visit the [Toxicology News](#) website and the [Journal's webpage](#) for ongoing evidence of your positive impact on the toxicology community.

Yours sincerely,

Elizabeth Perill
