

FACULTY OF SCIENCE  
Charles University

European  
Research  
Council

**The Project Management Department**  
of the Faculty of Science  
is inviting you to an

## Info event on ERC

**When:** 25. 5. 2021 (13:00-15:00)

**Where:** online  
(the link will be sent on your e-mail before the event)

- The event will provide general information about the European Research Council grants scheme, introduce its philosophy, objectives and rules and will present the concept of 'ERC pipeline' at the Faculty of Science. Also, the successful ERC grantees will share their experience with the proposal preparation and project implementation.
- All **(future) leaders of research teams of any size** and **heads of departments** are encouraged to join us. Anyone else who is interested in ERC is also welcome.

### Agenda:

13:00 – 13:20	<b>Introduction to ERC – types of grants, rules, evaluation</b> Ludmila Součková, Project Management Department
13:20 – 13:50	<b>ERC evaluation process – do we need ERC?</b> Zdeněk Strakoš, ERC Coordinator at CUNI, former ERC Panel Chair
13:50 – 14:20	<b>Support to ERC applicants at the Faculty of Science</b> Ludmila Součková, Klára Sobotíková Project Management Department
14:20 – 14:50	<b>Experience of successful applicants</b> Filip Kolář – DOUBLE ADAPT, ERC Starting Grant Vladimír Hampl – Amitochondriates, ERC Consolidator Grant
14:50 – 15:00	Discussion, <b>closing the event</b>

We kindly ask you to **register to the event** [here](#).
