

Additional information to the invitation to the entrance exam for doctoral study programmes at the Faculty of Science, Charles University

THE COURSE OF THE EXAMINATION IN PERSON

Only the applicants (without accompanying persons) are allowed to enter the faculty building. Anyone who exhibits signs of a respiratory infection, which could correspond with the known COVID-19 symptoms (such as elevated temperature, cough, shortness of breath, sudden loss of taste or smell etc.) is prohibited from entering the building.

The applicants are to use a hand sanitizer after entering the building - they are located at the reception. Inside, the applicants have to keep a 2 meters distance and they need to have their mouth and nose covered with a face mask.

During the roll call (taking of attendance of the candidates), the applicants are expected to hand in their proof of identity and a statutory declaration of not exhibiting any COVID-19 related symptoms. The statutory declaration is available [here](#)

THE COURSE OF THE EXAMINATION TAKEN REMOTELY

Prepare your proof of identity before the exam. The details are included in the invitation letter. You will be contacted by the competent faculty department about the specifics of the examination process.

ALTERNATIVE DATE OF THE ENTRANCE EXAM

The alternative date of the entrance exam (held from 7th July to 17th 2020) is approved by the Dean. The applicants need to request the alternative date within three days after the regular exam date. The alternative date can be allowed due to serious and provable reasons, especially health reasons. The request for an alternative day **is submitted and approved via the electronic information system.** ([the Guidelines](#))
