Where:	Charles University, Karolinum, Ovocný trh 3, Prague 1, Small Assembly Hall
Registration:	https://goo.gl/forms/d3BJ7IxRiyHGtVfx2

Charles University and Technology Centre of the Czech Academy of Sciences have the pleasure to invite you to the workshop focusing on MSCA IF projects. The participants will have a unique opportunity to work with an anonymized IF proposal as well as to meet IF project participants and evaluators.

To maximize the impact, the workshop is **open only to researchers who are currently involved in preparation of MSCA IF proposal for the MSCA-IF-2018 call**. "Entrance ticket" to the workshop is a CV of the applicant (max. 5 pages) and a short abstract of the proposal (max. 2000 characters) according to the [MSCA IF Guide for Applicants](#). These documents should be sent to Ms. Adela Jiroudkova (adela.jiroudkova@ruk.cuni.cz) till 15th April.

The event will be held in English. Translations will not be provided.
