

## **Proposal Development event on co-creation, growth and inclusion**

**15th of June (13:00 till 18:00), Brussels**

**Registration is now open. Please submit a [Project Idea Form](#) to [t.panteli@wlv.ac.uk](mailto:t.panteli@wlv.ac.uk)**

ERRIN, High Education Working Group invites Universities, Regions and Businesses to the **proposal development event on co-creation, growth and inclusion**, which will focus of the upcoming funding opportunities in 2016-17. We would like to engage with the likeminded individuals on the following areas of expertise: **Economics, ICT, Technology, Health, Social Sciences**.

Co-creation puts end-user or customer in the centre of production process and co-creation of value. At this event we will be looking at co-creation in a context of (i) purpose-driven innovation, (ii) end-user involvement and (iii) cross-boundary collaboration.

**We are looking to focus on Co Creation (but are happy to consider alternative suggestions)**

- **In Health:** Diet, Diabetes, Smoking and Obesity
- **In Culture:** Virtual Museums and Social Platform on European digital heritage, memory, identity and cultural interaction
- **In Responsible Research and Innovation:** specifically gender related
- **In Design:** User-driven innovation: value creation through design-enabled innovation
- **In ICT:** Please note this is a major Cross cutting theme.
- **In Security:** Anti-corruption, fraud and cybercrime
- **In Mobility:** mobility of people and money and its consequences for the European social and economic system
- We are happy to consider additional topics

### **When and where?**

We propose to run this event on the **15th of June (13:00 till 18:00)** with the networking cocktail afterwards. We are looking for a suitable place in one of the Regional Offices. We have some budget to cover refreshments and a cocktail reception.

### **What is the aim of Brokerage Event?**

It is an event that provides the opportunity to meet consortium partners and discuss project proposals ahead of the 2016/2017 calls with the potential to develop starting consortia.

### **How to make the best out of the Wolverhampton Brokerage Event**

Prior to the Brokerage Event, we invite all participants to make their project ideas and/or expertise known via the ERRIN Site. Participants will have the opportunity to present their idea in a facilitated round table session in a short project pitch to promote their proposal.

### **Who should attend?**

Regions, companies and universities and the following areas of expertise: **Economics, ICT, Technology, Health, Social Sciences** who are interested in developing project proposals and partners

in for the 2016-17 topics as well as some 2015 ones. This is the right place to bring together well targeted ideas and clearly defined cooperation needs from the research and business sector.
