## **Děkan Přírodovědecké fakulty Univerzity Karlovy**

**vypisuje výběrové řízení na obsazení místa:**

### **International Postdoctoral Fellowship - Experimental cell and molecular biology**

The Faculty of Science, Charles University (Prague, Czechia) invites applications for a Post-doctoral position in the Biological Section for the project "International Mobility of Researchers at Charles University" with reg. number CZ.02.2.69/0.0/0.0/16\_027/0008495 co-financed by OP RDE.

The position is open for researchers focused on the experimental cell and molecular biology. The research will cover the study of protein interactions, their functions and regulatory pathways influencing the dynamics of molecular processes, including the introduction and optimization of new methodological approaches.

#### **Eligibility criteria:**

- Ph.D. or other appropriate level 8 ISCED (International Standard Classification of Education) qualification completed within the last seven years.
- The applicant must have resided outside the Czech Republic at least for 2 of the last 3 years.
- The applicant must have had at least 2 published, peer-reviewed research outputs in the last 3 years.
- All research activities will be conducted in English; knowledge of the Czech language is not required.

#### **How to apply:**

- Get in touch with the PI of the research group you want to join (see the list of groups here: <https://www.natur.cuni.cz/biology>)
- Prepare a research proposal and CV with the list of publications
- Send the required application materials to the project coordinator, Ms. Radka Kotackova: [radka.kotackova@natur.cuni.cz](mailto:radka.kotackova@natur.cuni.cz), Faculty of Science, Charles University, Prague.

#### **Required application materials:**

- Cover letter including a personal statement of research interests
- Curriculum vitae with the list of publications
- Research proposal (circa two pages long)
- Two letters of recommendation stating referees' contact information
- Letter of support from the PI at the host Department of the Faculty of Science.

#### **Application deadline:**

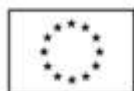

The application deadline is March 31, 2018. Subsequently, the applications' review will begin immediately. Successful candidates will be informed by April 30, 2018.

#### **Selection process:**

Selection will be based on the relevance of candidates' professional interests and experience, excellence in research achievements and the quality of the submitted research proposal.

#### **Position duration, starting date and remuneration:**

The position tenure is 24 months, starting on September 1, 2018. The gross monthly salary is 62,222 CZK (circa 2,437 EUR) including health insurance and social insurance coverage. The job status is full-time - 40 hours per week.
