

Advertisement published on March 5th 2020 on the official board of the faculty, closing date of applications on April 3rd 2020 include

**Dean of the Faculty of Science, Charles University
invites applications for the following academic position:**

SECTION OF CHEMISTRY

with anticipated starting date of employment on October 1st

- visiting academic with a focus on chemistry within the project CZ.02.2.69/0.0/0.0/16_015/0002362
The applicant must be an internationally recognized scholar in his/her research area and is expected to teach two 90-minutes courses per week at the advanced undergraduate (MSc.) level. The curriculum of the courses must be proposed by the applicant and is an obligatory part of the application. At least one of the courses should introduce topics related to the recent research of the applicant. Courses are given in English, knowledge of the Czech language is not required.

Candidates will be evaluated according to the following criteria:

- *recognized scholar from a respected foreign institution*
- *excellent research (H-index and other scientometrics, originality of scientific results/quality of publications)*
- *form, extent and focus of the offered subjects/courses*
- *contribution to the strategic plans of the host institution/section*
- *attractiveness of the applicant's research/teaching to different departments of the section*

Application for selection procedure:
