SECTION OF CHEMISTRY

with anticipated starting date of employment on June 1st 2022

- Academic in the field of Inorganic chemistry
(position on boarding: associate professor/professor)

Specifications:

Professor or Associate Professor of Inorganic Chemistry with a focus on coordination or organoelement chemistry and catalysis.

Qualifications:

- *successful completion of the habilitation procedure or professor appointment procedure*
- *Czech and English language*
- *active research work and pedagogical activities include students leading*

SECTION OF GEOGRAPHY

with anticipated starting date of employment on July 1st 2022

- Head of the Department of Applied Geoinformatics and Cartography for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on geoinformatics and cartography

Qualifications:

- *at least completed Ph.D., Th.D. or CSc. degree or comparable position in abroad*
- *excellent Czech and English (spoken and written)*
- *experience with leading a professional team*

with anticipated starting date of employment on June 1st 2022

- Academic with a focus on geoinformatics or cartography or remote sensing
(position on boarding: assistant/assistant professor)

Specifications:

pedagogical, research and publication activities in relevant field

Qualifications:

- *at least completed Ph.D. or CSc. degree in the field of geoinformatics/cartography/geography*
- *excellent Czech and English (spoken and written)*
- *ability to pursue internationally recognized research*
- *ability to prepare and deliver quality lectures and seminars in the field*
- *knowledge of programming/scripting (Python, possibly other languages)*
- *ability to work both individually and in research team*
- *ability and interest to undertake organizational as well as popularisation activities*

with anticipated starting date of employment on September 1st 2022

- Academic with a focus on pedology
(position on boarding: assistant/assistant professor)

Specifications: pedagogical, research and publication activities in relevant field

Qualifications:

- *at least completed Ph.D. or CSc. degree or master's degree in physical geography, environmental or agricultural sciences. Applicants with master degree should be enrolled in PhD program.*
- *excellent Czech and English (spoken and written)*
- *ability to prepare and deliver quality lectures and seminars in the field, ability to pursue internationally recognized research, ability to work both individually and in research team, ability and interest to undertake organizational as well as popularisation activities, ability to work at field courses and excursions*

with anticipated starting date of employment on October 1st 2022

- Head of the Department of Demography and Geodemography for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on demography

Qualifications:

- *at least completed Ph.D., Th.D. or CSc. degree or comparable position in abroad*
- *excellent Czech and English (spoken and written)*
- *experience with leading a professional team*

SECTION OF GEOLOGY

with anticipated starting date of employment on June 1st 2022

- Academic with a focus on environmental and isotope geochemistry
(position on boarding: scientific worker with participation in teaching)

Qualifications:

- *at least completed Ph.D., Th.D. or CSc. degree or comparable position in abroad*
- *Czech and English language written and spoken*

with anticipated starting date of employment on July 1st 2022

- Academic with a focus on didactics of geology
(position on boarding: assistant professor)

Qualifications:

- *at least completed Ph.D., Th.D. or CSc. degree or comparable position in abroad*
- *fluent Czech language, English language*
- *publication activity in the field of didactics of natural sciences*
