

doc. RNDr. Pavel Matějček, Ph.D.
autoři doporučujících dopisů

Prof. Dr. Michael Gradzielski

TU Berlin, Institute of Chemistry, Stranski Laboratory, Berlin, Germany

Prof. dr. Marija Bešter-Rogač

University of Ljubljana, Faculty of Chemistry and Chemical Technology, Chair of Physical Chemistry, Ljubljana, Slovenia

Prof. dr hab. inż. Andrzej Sporzyński

University of Warmia and Mazury, Olsztyn, and Faculty of Chemistry, Warsaw University of Technology, Department of Physical Chemistry, Warsaw, Poland

Stergios Pispas, Ph.D., director of research

Theoretical and Physical Chemistry Institute, Director of research of Materials Synthesis and Physical Chemistry, National Hellenic Research Foundation, Athens, Greece

Prof. Dr. Clara Viñas Teixidor, Prof. Dr. Francesc Teixidor Bombardó

Institute of Materials Science ICMAB-CSIC, Department of Molecular and Supramolecular Materials, Group of Inorganic Materials and Catalysis, Barcelona, Spain
