14th and 15th February 2013 (Thursday - Friday)

Call for Papers

Dear colleagues,

On behalf of the Young Demographers, Department of Demography and Geodemography and the Geographical Institute (Charles University in Prague, Faculty of Science) and of the "Young Demography" research group of the German Association for Demography (DGD) we would like to invite you to the 4th Demographic Conference of Young Demographers called traditionally "**Actual Demographic Research of Young Demographers (not only) in Europe**".

The conference is planned for two days (**14th and 15th February 2013**) and will take place at the Faculty of Science, Charles University in Prague, Albertov 6, Prague 2. All participants will have the possibility to present their actual research and discuss it with colleagues from other countries or fields of study. Although the conference is focused mostly on Ph.D. students of Demography, all young (or a bit older) researches (not only demographers) will be welcomed. The working language will be English and except for a few printed posters all presentations are expected to be in oral form. At least one section will be devoted to presentations of research based on usage of the SAS software. The SAS Institute of the Czech Republic, partner of the conference, prepared some promotional items and small gifts for all the active participants of the conference and especially for the winners of the best presentation/poster content.

If you are interested in participating, please send us the application **before the 21st December 2012** by e-mail to the address **yd.demographers@gmail.com** with the **title** of your proposed presentation, a **short abstract** in English and several **key words**. You will be informed about the acceptance before the 13th January 2013. We are sorry to inform you that there is neither any foundation of your transport and living expenditures nor we can offer you any financial support.

In case of any questions please feel free to contact us. Looking forward to meeting you in Prague! On behalf of the Organizing Committee
