### Call for Papers

Dear colleagues,

On behalf of the Young Demographers, Department of Demography and Geodemography and the Geographical Institute (Charles University in Prague, Faculty of Science) and of the "Young Demography" research group of the German Association for Demography (DGD) we would like to invite you to the 5<sup>th</sup> Demographic Conference of Young Demographers called traditionally "**Actual Demographic Research of Young Demographers (not only) in Europe**".

The conference is planned for two days (**13<sup>th</sup> and 14<sup>th</sup> February 2014**) and will take place at the Faculty of Science, Charles University in Prague, Albertov 6, Prague 2. All participants will have the possibility to present their actual research and discuss it with colleagues from other countries or fields of study. Although the conference is focused mostly on Ph.D. students of Demography, all young (or a bit older) researches (not only demographers) will be welcomed. The working language will be English and except for a few printed posters all presentations are expected to be in oral form. At least one section will be devoted to presentations of research based on usage of the SAS software. The SAS Institute of the Czech Republic and the Institute of Sociology of the Czech Academy of Sciences, partners of the conference, will award a prize of the best presentation/poster using the SAS software or the best presentation/poster with social context.

If you are interested in participating, please send us the application **before the 31<sup>st</sup> December 2013** by e-mail to the address [yd.demographers@gmail.com](mailto:yd.demographers@gmail.com) with the **title** of your proposed presentation, a **short abstract** in English and several **key words**. You will be informed about the acceptance before the 21<sup>st</sup> January 2014. We are sorry to inform you that there is neither any foundation of your transport and living expenditures nor we can offer you any financial support.

In case of any questions please feel free to contact us. Looking forward to meeting you in Prague! On behalf of the Organizing Committee
