The Swiss Embassy in the Czech Republic and the Charles University, Faculty of Science, Department of Physical Geography and Geocology

invite you to a guest lecture

**Danièle Rod: Executive Director of the Swiss Polar Institute (SPI)**

**“Polar and high altitude science: impacts and side-effects”**

The event takes place on Wednesday, October 25, 2023 from 9:50 a.m. in the premises of the Faculty of Science of Charles University, Albertov 6, 3rd floor, classroom No. 373 (Pravá rýsovná).

**Danièle Rod**

has a background in political science, administrative studies and economics. Before becoming the Executive Director of the SPI in 2017, Danièle Rod worked extensively on EU and international science collaboration programs.

The Swiss Polar Institute in Sion (Valais) has the mandate to provide services to and promote synergies within the polar community in Switzerland.
