## Faculty of Science

☒ 128 43 PRAGUE 2, Albertov 6

### DATA PROTECTION DECLARATION

I the undersigned, -----, date of birth, -----, CU student no. ...., residing at....., a student at Charles University, Faculty of Science (hereinafter the “faculty”), hereby declare that I will only use the data listed in the appended transfer protocol for the specified purposes, i.e. .... I further agree that use of such data will not damage the good name of the faculty or Charles University.

I declare that all data will be treated as confidential and I agree to maintain confidentiality regarding this data and take all measures necessary to prevent access to this data by third parties without the prior written consent of the faculty or owner of such data. At the same time, I agree to protect such confidential data from release, publication or other unauthorized disclosure to third parties. This obligation of confidentiality persists even after completion of study at the faculty.

I agree that after completing study I will return or destroy all data obtained from the faculty, with the exception of rightfully published data.

I am aware that failure to comply with this obligation to which I have hereby pledged may damage the faculty or Charles University.

In the event that damages arise due to my poor compliance or failure to comply with this obligation, I agree to provide full compensation for such damage upon request.

This declaration does not apply to data rightfully publicly available or data which rightfully becomes publicly available after being passed on to me.

I agree that a copy of the final work in which map reproductions were used will be delivered in printed or electronic form to the Map Collection within a month of its publication.
